Describe the program and its impact on the campus community (including master classes, lectures/demonstrations, Q&As, etc.). Relative to your goals, to what degree was the program successful? Did you encounter any problems, including technical, financial, etc.? What changes would you suggest, for yourself or ARTSwego, that could be useful for future programs?

How was the money spent?

List any co-sponsors or contributors that should be given credit.

Program Attendance: If you don't have an accurate count of attendance, please provide an estimate. List attendance for each activity (master classes, lectures/demonstrations, etc.) separately.
