

**PROGRAM ADVISEMENT FORM: Curriculum & Instruction**  
**Adolescence 7-12 Certification Major: Chemistry**

Name: \_\_\_\_\_ I.D.# \_\_\_\_\_ Projected Graduation Date \_\_\_\_\_

This form, together with the student's transcript, is used to determine whether or not all graduation and certification requirements have been met. **Although the student and the advisor share the responsibility of the student's progress towards the degree, the principal obligation for consulting with the advisor and understanding and fulfilling the degree requirements lies with the student.** The academic advisor only assists the student in making the decisions which are part of the student's formal education. Candidates must maintain a minimum cumulative 2.50 GPA and a grade of C- or better in all Cognate, Concentration and Major Core Courses to remain in good standing to take major core courses, to student teach and for graduation.
