Handout: Substitute Motion for P/F Modifications for the 2020-21 Academic Year

We have a busy meeting planned for 11/23, so I want to go over some things to help speed things along.

First, the Pass/Fail expansion resolution will come up after committee reports. It was voted postponed on 11/9 so it comes up on the floor as unfinished business.

There is now a re-written motion (attached here and linked above) for a modification to pass/fail.

I expect when we get to this motion on 11/23, someone will move to substitute the existing motion for this re-written alternative. The alternative is streamlined with Whereas statements, and the modified policy addresses concerns about course limits and change of major. The substitution will go to a vote, and then we will debate the motion that remains and hopefully vote.

Next up is the [General Education and the DEI motion](#). (A handout under 11/9 meeting items).

I would appreciate it if anyone with amendments would be ready to share their screen with a written copy or send their copy to me so that I might share it.

I will again be using a Google form for voting on 11/23, but will be refreshing the link. The new link will be sent to the voting membership by Monday morning.

Finally, as we go into the final stretch, I want to remind people, on behalf of the Office of Student Conduct, that there is a reporting form for any violations of policy:

<https://www.oswego.edu/student-conduct/report-incident>

Use of this form rather than email is a big help to Student Conduct as they deal with a large caseload.
