New Courses and Topics Courses

Historically, according to the Registrar, a new course can be offered twice within the year and topics courses can offer the same topic three times. After this, a course must go through UCC. However, this does not appear to be written down anywhere. UCC will be bringing a policy to the floor about course offering limits for new or topics courses. The idea is to allow a trial while preserving peer review of the institution's curriculum.

UFS Plenary and feedback

The UFS Plenary is at SUNY Purchase October 20-22. You should reach out to me, Frank or Eve with any issues you wish to be brought forward. I will be bringing forward the issues of the need for a Grade 11 Civil Service Exam schedule and 3rd party applications.
