

Below is our agenda for Monday, 3/7.

Two notes:

1. MSCHE virtual visit is set for 3/6 - 3/9. I am planning to finish business by 4 pm in case any members of the visiting team wish to talk with the assembly, but at this time, nothing is planned.
2. If you have new program proposals or program revisions planned in your unit, those should be starting the process by the end of next week, or they may be unable to receive FA approval by the end of this semester.
