- VI. **President’s Report**
The president discussed changes to the strategic plan since the cabinet retreat as well as implementation and priorities. He also talked about re-branding SUNY Oswego. The [president’s complete presentation](#) is available on the FA website.

The faculty addressed their concerns about the planned CLAS split. The President assured them that the conversation on the matter has not concluded, and a decision has not been made. Faculty and staff well-being is neglected; the president stated that he is establishing a task force to be led by Kathleen Kerr to address this matter. Use of space to better serve the students needs attention and the president agreed.
- VII. **New Business**
No new business this meeting

The meeting was adjourned at 5:03 P.M.
