

Article I, Faculty Membership and Voting

Sec 3b, part i

Current: Faculty with limited voting status may participate as voting faculty in all aspects of department and College-wide governance except on committees that make personnel recommendations (e.g., term and continuing appointment, chair review and search, peer review, academic administrative officer review or search, Faculty Assembly chair election, etc.)

Proposed: Faculty with limited voting status may participate as voting faculty in all aspects of department and University-wide governance except on committees that make personnel recommendations related to term and continuing appointment, promotion, and academic administrative officer reviews or searches.
