

ARTICLE XVII

GRADUATE COUNCIL

Original

Section 3. Functions

- a. The Graduate Council shall concern itself with policies on admission, academic regulations, curriculum, and all other matters pertaining to the graduate program of the University.
- b. One member of the Graduate Council must report the activities of the council at every meeting of the Faculty Assembly.

Proposed Changes in RED

Section 3. Functions

- a. The Graduate Council shall concern itself with policies on admission, academic regulations, curriculum, and all other matters pertaining to the graduate program of the University.
- b. One member of the Graduate Council must report the activities of the council at every meeting of the Faculty Assembly.
- c. The council shall review each proposed course or program in light of its:
 1. consistency with the University's mission and academic standards;
 2. consistency with the mission and academic expectations of the sponsoring school or college;
 3. appropriateness to the sponsoring department;
 4. use of library and information resources; and
 5. possible redundancy with existing courses and programs.
