# artswego

---

- Serves as a catalyst for high-quality arts programs that enhance the cultural environment of the college and augment academic offerings
- Seeks to introduce students to art forms and performances different from those offered by the mass market.
- Serves as a bridge between the campus and community.
- Supports the development of collaborative and interdisciplinary programs that serve to foster patterns of life-long learning and promote cross-cultural understanding.

## Support the Arts at Oswego

### Ways to Donate

- [Donate Online](#)
  - One-Time or Payroll Deduction
- Download [Patron Donation Form](#) from ARTSwego's Webpage

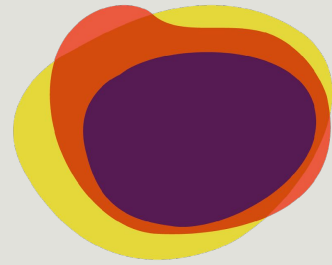

# artswego

## Ways to Get Involved

- Make attendance a requirement or extra credit for your courses
- Encourage your students to attend events to enhance their college experience
- Apply for funding to present your own arts program or to invite arts professionals to campus to speak to your students
- Reach out to brainstorm ideas for future artists, events, workshops and collaborations
