

SUNY Oswego Faculty Assembly Resolution 202309-1
Revision to the Spring 2024 Calendar for the Total Solar Eclipse
Submitted on behalf of the Calendar Committee

WHEREAS, on Monday, April 8, 2024, there is a total solar eclipse occurring over Oswego; and

WHEREAS, for any given location, this total solar eclipse is a once in a century event; and

WHEREAS, SUNY Oswego is working with the Oswego County Tourist Board to organize a number of science-based events and projects for the local community concerning the eclipse; and

WHEREAS, SUNY Oswego is working with media outlets in Syracuse to cover this event, with potential national coverage; and

WHEREAS, SUNY Oswego is planning live-streamed planetarium shows, public outreach talks by distinguished scientists and NASA funded balloon launches around this event; and

WHEREAS, this eclipse will be a national event with significant numbers of people coming to Oswego;

THEREFORE BE IT RESOLVED that there will no classes at SUNY Oswego for Monday April 8 2024, prior to 5 pm.
