

Motion to Abolish World Awareness Sub-Groups and Attendant LOs with
AY 2023-24
Submitted by the General Education Council
March 7, 2022

The General Education Council proposes the following motion to Faculty Assembly:

Motion: Beginning with AY 2023-2024, the GE 21 World Awareness sub-groups will be removed and with that removal, the knowledge domain learning outcomes are also removed.

Rationale: Briefly, the aforementioned sub-groups and learning outcomes were added to the World Awareness category for practical reasons: i.e. in order to ensure that a student would meet the SUNY System general education requirement of a minimum of thirty (30) credit hours of general education completed in a minimum of seven out of ten SUNY General Education categories. The sub-groups and corresponding knowledge domain learning outcomes are not needed to ensure students will meet the 7 out of 10 and 30 credit hours system-wide requirement when the SUNY GE begins for all new students with AY 2023-2024.
