

Motion to Change QUEST Dates, 2023-2026

Beginning in the academic year 22-23, QUEST shall take place in the 3rd full week (Sun-Sat) in April.

The impact of this change on the next four Academic Calendars:

Spring 2023 Quest moves from April 5 to April 19.

Spring 2024 Quest moves from April 3 to April 17.

Spring 2025 Quest moves from April 16 to April 23.

Spring 2026 Quest moves from April 15 to April 22.

It should also be clear that this change will disconnect Quest from the Honors Convocation that traditionally has been on the Friday after Quest. This change, if passed, will not impact the date of Honors Convocation; we are only asking to change when Quest takes place.
