What is Leadership Oswego County?

Leadership Oswego County is a community program administered by SUNY Oswego's Office of Business and Community Relations. The Leadership Oswego County program explores community trusteeship, leadership skills, current issues and networking with a diverse group of community residents. Key community members mentor and share with participants about the skills and knowledge needed to be effective leaders. Graduates of the program are better prepared to serve the community in the roles of board member, citizen, employee or volunteer with organizations that serve Central New York.

Leadership Oswego County prepares a select group of county residents to become the community stewards of the future. This group embarks on a nine-month course on Oswego County and its resources, vital issues of today, and visioning for tomorrow.

The **MISSION** of Leadership Oswego County is to educate committed citizens to become a well-informed, engaged, and diverse network of community stewards.

Our **PARTICIPANTS** gain a greater understanding of the role of "community steward" through exploring issues and opportunities relevant to Oswego County.

Congratulations Leadership Oswego County Class of 2020!

Dear Leadership Oswego County 2020 Class Graduates,

As the 27th year of Leadership Oswego County draws to a close, I want to commend you all for the incredible resiliency with which you've faced the many changes to our program brought about by the COVID-19 global pandemic. Together, you embarked on a journey to learn, share, and grow and I hope that has been your experience. And although we were unable to finish the year as we had planned, we banded together and finished in a way that is special and uniquely our own.

This is a pivotal time in our history. Our communities have struggled as schools and businesses were shuttered during months of quarantine and we all made personal sacrifices to protect each other's health and safety. Life as we knew it has changed, and as a nation we will continue to face unprecedented challenges as we combat this crisis.

As the most recent Leadership Oswego County graduates your leadership skills will be needed more than ever. You will be called upon to lead in these uncertain times and will need to make decisions with imperfect information and where circumstances and directives change quickly and without warning.

Leadership in the time of COVID-19 has made us reexamine what we hold most dear- community and our sense of belonging to something greater than ourselves. As we forge a future that will be unlike anything we have seen before, it will require the creativity, strength, resilience, and compassion that I hope you've developed during our time together.

We will need to attend, listen, and provide guidance and support to those under our stewardship. We will need to be flexible, considerate, and compassionate for each other and ourselves. We are in this together- arm-in-arm, zoom call-to-zoom call, reinventing our education system, our world of work and our sense of purpose and community. As American author and orator, Robert G. Ingersoll said, "We rise by lifting others". In the end, I believe we will be stronger, smarter, and more adaptable than ever before.

As graduates of Leadership Oswego County, I hope you are all eager to answer the call, "What positive contributions can I make to leave the world a better place?" Not just for now, but for our children and grandchildren. I hope you will not only be a steward of our community, but also a steward for Leadership Oswego County as you mentor and support the leaders that will come after you. Lastly, I encourage you to advocate for good citizenry and to be a voice that promotes an inclusive and healthy community for all.

All my best,
Chena L. Tucker, *Director*
