# Congratulations Leadership Oswego County Class of 2021!

Dear Leadership Oswego County 2021 Class Graduates,

As the program year draws to a close and we prepare to meet in person for the first time at Reflection Day, I am so impressed at how resilient and adaptable this group has been. The entire 2021 LOC class was virtual, but that did not get in the way of this class's effort, camaraderie, and enthusiasm!

The 28th year of Leadership Oswego County marks the end of an era and the beginning of a new and wholly reimagined Leadership Oswego County. As the famous adage states, "Never let a good crisis go to waste," because it's an opportunity to do things you think you could not do before. The Leadership Oswego County Class of 2021 blazed a new trail for the program. As we gear up for next year, we plan to combine virtual and in-person classes — allowing for more flexibility for busy professionals while continuing the program's legacy.

COVID-19 and the impacts of quarantine have been pivotal times in our history. Our communities have struggled as schools and businesses closed during months of quarantine, and we all made personal sacrifices to protect each other's health and safety. Life as we knew it has changed, and as a nation, we will continue to face unprecedented challenges as we combat this crisis.

Leadership in the time of COVID-19 has made us reexamine what we hold most dear — community and our sense of belonging to something greater than ourselves. As we forge a future that will be unlike anything we have seen before, it will require the creativity, strength, resilience, and compassion that I hope you've developed during our time together.

As Leadership Oswego County graduates, your leadership skills are now needed more than ever. You will be called upon to lead in these uncertain times and will need to make decisions with imperfect information and where circumstances and directives change quickly and without warning.

As graduates of Leadership Oswego County, I hope you are all eager to answer the call, "What positive contributions can I make to leave the world a better place?" I hope you will be a steward of our community and a steward for Leadership Oswego County as you mentor and support the leaders that will come after you. Lastly, I encourage you to advocate for good citizenry and to be a voice that promotes an inclusive and healthy community for all.

All my best,  
Chena L. Tucker, *Director*

## 2021 LOC Class Project

**“Children are the hands by which we take hold of heaven.”**

– Henry Ward Beecher

It’s a daunting task to sit down, as a group, and figure out a project that will benefit Oswego County. There are so many needs. So many possibilities. LOC Class of 2021 embraced the challenge with open hearts and minds. We threw out a few ideas before Kayla suggested collecting money and items for children going into foster care. We also took into consideration what we could do to assist the foster parents.

Knowing that children often go into foster care with few personal belongings, if any, it was suggested that we provide gift cards that foster parents could use to obtain needed items quickly. Additionally, we wanted to acknowledge that taking in children often happens at the last minute. With this in mind, we wanted to be able to provide an avenue for foster parents to be able to purchase food immediately. Everyone connected with this idea and consensus happened very naturally. Great leadership involves helping people see possibilities and reach their potential. What better way to do this than investing in children with so much need?

As the group continued to discuss, it was decided we would do a Go Fund Me campaign to raise cash. Additionally, there would be donations of items accepted at Pathfinder Bank, Novelis, and SUNY Oswego. We consulted with the foster care unit at Oswego County DSS to find out what items were most needed. We were able to raise, with our community partners, \$2,000 and collect multiple carloads of items.

This project was driven by the belief that we could make the transition into foster care just a little bit less traumatic for kids in Oswego County. Also, to let foster parents know that they are supported and appreciated. This was an opportunity to “take hold of heaven,” which some would argue Oswego County is a slice of.

Fulton, Class of 2022

**Clubs, Organizations, and Extracurricular Activities:**

Pathfinder Fish and Game.

**Volunteer Experiences:**

None

**Future Goals:**

To be an auto mechanic.

**Who is a leader you admire and why?**

Martin Luther King Jr. because he was able to do so many good things for the world.

**What has LOCY done for you?**

Taught me how to be a great leader.

## Grace Hutton

Fulton, Class of 2024

**Clubs, Organizations, and Extracurricular Activities:**

Student Senate, World Language Club, and Girls Who Code.

**Volunteer Experiences:**

None

**Future Goals:**

I plan to graduate high school. I will then move on to college after which I want to complete medical school. My ultimate goal is to help people whether it be through medical research or practice.

**Who is a leader you admire and why?**

Grace Hopper; I admire Hopper's persistence and perseverance. Both of these traits helped her throughout her career with the development of the compiler as well as aiding in the design of COBOL.

**What has LOCY done for you?**

LOCY has helped me to better my communication skills, be more assertive, as well as increase my self-esteem.

## Iris MacDonnell

Oswego, Class of 2022

### **Clubs, Organizations, and Extracurricular Activities:**

Robinson-Faust Theatre Tech Crew, National Honor Society, Just Write, and Students Against Destructive Decisions

### **Volunteer Experiences:**

Robinson-Faust Theatre Tech-Crew, Making and Donating Masks, and Planning and Building a Little Free Library (Youth Bureau).

### **Future Goals:**

I plan to study science in college (I don't know the specific discipline yet) and become a scientific researcher, eventually having my own lab. I'm also working to improve my communication/professional skills. Lastly, I'm considering advocating for women and the LGBTQ+ community (however, if political advocacy will clash with my integrity as a scientist, then I won't).

### **Who is a leader you admire and why?**

TJ Bandla & Steve Braun (coworkers at Robinson-Faust Theatre, Oswego High School) Steve and TJ have been inspiring students in the theatre for years. Tech Crew is made up of all different kinds of people—rich, poor, popular, outcast, different genders and sexualities—and they manage to unite us all through the performing arts. We enter with our own quirks and experiences, and TJ and Steve help us use them to create shows. Tech Crew isn't just a club, it's a refuge and a home

for many students who don't feel like they belong anywhere else. By providing this, Steve and TJ have turned many students' lives around. Students who were ready to drop out of school found a passion in the arts that became a career. Students with terrible home lives found a place of acceptance and comfort where they could think for themselves. TJ and Steve work hard to make the theatre the way it is, and they are wonderful role models for the students who work in it.

### **What has LOCY done for you?**

LOCY has provided a place where my opinions and experiences are welcomed and respected. It has taught me how to maturely discuss controversial topics and reciprocate the respect I am given. I am more assertive now and I have learned how to be professional while meeting my needs, which has helped me communicate with my boss, teachers, and other adults. The facilitators never belittled or ignored me because I was "too young to know", which has showed me that I matter. That has been the most important lesson I learned from LOCY because it convinced me to take charge and lead my own life, which had to happen before I could lead others. I'm much more confident now when I communicate because I know that my needs are important and worth addressing. In turn, this made me respect other people's needs and find a balance between standing for myself and standing with others. Overall, LOCY felt like a first step into adulthood.

He was a great leader that stood tall in the face of anything he did, and he helped spread the message he wanted to tell people through music. He was a great person who pushed through the challenges in his life.

Even when Mark has stared death in the face, he has continued to be there for his viewers when they were going through hardship. Watching Mark's videos has helped to shape who I am today and I know that if he weren't a part of my life, I would not be the same person.
