Academic Micro Credential (For Credit)

This form is used to approve an undergraduate or graduate level credit-bearing course sequence between 1-17 credit hours. Micro credentials are designed with employers to better equip students to be aligned with 21st century workforce demands. Three endorsement letters from industry should accompany this form for final approval. Students are subject to college policy identified in the appropriate catalog in which the courses are derived, unless otherwise noted.

Academic Department:

Departmental Contact(s):

Micro Credential Title:

Level _____ **Undergraduate** _____ **Graduate**

Micro Credential Description (3-5 Sentences):

Rationale (Why is this needed?):

Audience: Who is this Micro credential designed for? Who is eligible for this credential?
What is the "admissions criteria"?

Identify the Skills/Learning Outcomes
