Notes:

Students who transfer to Oswego after completing the 30-credit SUNY-General Education or the equivalent of SUNY-GE at a previous institution (or institutions) are exempt from all of Oswego's specific general education requirements. Upon acceptance at Oswego these transfer students will have completed the General Education Requirement at Oswego.

Bachelor's degree graduation requirements:

- 120-128 credits, depending on major
- Minimum of 30 credits and ½ the major completed at Oswego
- 42 upper division credits (300-400 level courses)

TERMS

SUNY Broome Community College agrees to promulgate information and to advise interested students of the provision of general and specific sections of this agreement.

Qualified transfer students will be able to complete degree requirements with a normal load in four semesters in the program identified.

The State University of New York at Oswego agrees to accept as juniors those students who have successfully completed the courses outlined in the degree program identified in this agreement. The grade point average for SUNY Broome Community College degree graduates for acceptance to State University of New York at Oswego shall be 2.3 or above.

Students must attain a grade of C- or better in all Health Promotion and Wellness Management major courses applied to the State University of New York at Oswego for transfer credits. "D" grades in other courses will be applied as elective credit.

On a routine basis, faculty and administrative staff from both institutions will confer on matters of curriculum content and other program details.

Review/Revision Agreement

This agreement will become effective upon signature and shall be reviewed when substantive changes are made in the curriculum on either campus.
